

# Microbubble-Biotin and Avidin

**Catalog: MBF-06BA**

## PRODUCT INFORMATION

---

<b>Name</b>	Microbubble-Biotin and Avidin
-------------	-------------------------------

<b>Cat No.</b>	MBF-06BA
----------------	----------

<b>Product Overview</b>	Plain microbubble modified with Biotin-avidin
-------------------------	---

<b>Application</b>	Targeted capture Ultrasonic sorting Molecular imaging Drug/gene delivery
--------------------	--

<b>Concentration</b>	>2.5E10 microbubbles/ml
----------------------	-------------------------

<b>Storage</b>	2-8°C for up to 6 months
----------------	--------------------------
