

Microbubble-C4F10

Catalog: MBE-02C

PRODUCT INFORMATION

Name	Microbubble-C4F10
-------------	-------------------

Cat No.	MBE-02C
----------------	---------

Application	Plain microbubble contains perfluorobutane (C4F10)
--------------------	--

Concentration	>2.5E10 microbubbles/ml
----------------------	-------------------------

Storage	2-8°C for up to 6 months
----------------	--------------------------
