

## Ovalbumin-mRNA Lipid Nanoparticle (LNP)

Catalog: BSLNP-004Z

## **PRODUCT INFORMATION**

Name	Ovalbumin-mRNA Lipid Nanoparticle (LNP)
Cat No.	BSLNP-004Z
Product Overview	This product encapsulates 100g/mL Ovalbumin-mRNA in lipid nanoparticles. It has been designed to produce high expression level of Ovalbumin protein which is commonly used antigen for immunization and biochemic al studies and also an established model allergen for airway hyper responsiveness.
Form	Liquid
Storage Buffer	PBS with 5% sucrose
Concentration	The total lipid concentration is 2.5mM
Storage	Store at -80 °C
