

# Phosphatidylserine,PS (brain,bovine) Na salt

Catalog: Lipo-494

## PRODUCT INFORMATION

---

<b>Name</b>	Phosphatidylserine,PS (brain,bovine) Na salt
<b>Cat No.</b>	Lipo-494
<b>CAS</b>	383907-32-2
<b>Product Overview</b>	Phosphatidylserine (abbreviated Ptd-L-Ser or PS) is a phospholipid and is a component of the cell membrane. It plays a key role in cell cycle signaling, specifically in relationship to apoptosis.
<b>Purity</b>	>98%
<b>Application</b>	Liposome production; Natural Lipid
<b>Synonyms</b>	PS (brain, bovine) Sodium salt; L- $\alpha$ -Phosphatidylserine (brain, bovine) Na salt
